DATA SHEET

DESCRIPTION

Aluminium expansion profile with one self-adhesive side and the other side with invisible fixing.
To cover and close expansion joints in industrial buildings, hospitals, universities, shopping centres
plan 5 plugs 94156 per meter

USE

To be installed on a floor covering or on a protected floor (resin, painted floor...).
Indoor use

REFERENCE

Ref : 2846

MATERIAL

REACH compliant

FITTING MODE

Cut the profile to the desired length. Insert the corresponding number of plugs 94156 into the profile. Locate the holes and drill into the concrete. Place the plugs 94156. Remove the silicone-coated paper. Position the plugs in front of the holes and push the whole assembly hard into place.

> MAINTENANCE

For daily cleaning, use standard detergents. In case you want to use a sodium, ammoniac or acid based cleaner, carry first out a preliminary test.
