

DESCRIPTION

Self-propelled stripper to remove the hardest flexible floor coatings, such as bonded floors, carpets, PVC, linoleum and sport surfaces with slabs or strips.

A compact design to easily access narrow spaces and an ergonomic design to reduce operator fatigue. The swing of the blade guarantees efficient removal for the hardest materials.

Supplied with:

A standard blade: 127 mm x 152 mm

- A U-shaped blade: 76 mm x 304 mm

- A strong blade: 76 mm x 254 mm

- A premium blade: 76 mm x 152 mm

- A premium blade: 152 mm x 254 mm

- 2 removable weights: a 22 kg bearing weight and a 16.8 kg front weight

- A wrench with T-shaped handle

Weight : 119 kg

Reference	Power	Speed	Width	Height	Length	Level of noise
